

Gyor Moore

Visual Design, Creative Direction
gyormoore@gmail.com

Bio:

Name:	Gyor Moore
Day of birth:	10/28/1992
Living in:	Rotterdam

Software:

- Adobe Photoshop/Illustrator/Indesign
- Adobe Premiere Pro/After Effects
- Adobe Muse (built my portfolio in Muse)
- Apple Keynote
- Sketch
- Principle/Invision/Flinto
- Squarespace

Education:

University of Applied Sciences Rotterdam	2011-2015
- Peercoach and Student Assistent	
- Propedeutics in my first year	
- Minor in User Interface & Experience Design (9)	

IJsselcollege Alkenlaan (VWO Anders)	2011-2015
VWO Anders is a pre-university college degree with focus on multiple intelligence and individual learning preferences, mine being Visual & Spatial intelligence.	
- Member of the schoolpaper (Editor and writer)	
- Final Assignment on 'Pop-Art'	

- Work: **Visual Designer** 2016-Present
Banda
Banda is a startup company from my hometown Rotterdam. They asked me to redesign their online identity, resulting in a new logo, mobile application design and website.
- Freelance Designer** 2016-Present
Gyormoore.com
Halfway through the year I started working for myself next to my parttime jobs, mostly projects enquired through social media and dribbble. In this period of time I was lucky enough to work for Parlor New York, Orenda Visuals Girls in The Urbs and Ruth Jacott.
- Junior Art Director** 2015-2016
BLEND\BUREAUX
After my internship I stayed at BLEND\BUREAUX to realize the product I described in my thesis. During this period I became a Junior Art Director and worked for brands such as Audentity, W Hotel, Absolut, BLEND\GALLERY, Warsteiner and of course The Way of Living 24.
- Graduate Intern** 2015-2015
TWOL24 for BLEND\BUREAUX
As an intern at BLEND\BUREAUX I got to work on their newest platform for independent designers all over the world called The Way of Living 24 (TWOL24). I wrote a thesis on how to empower these independent designers in the online world of today.
- Interactive Designer** 2014 - 2015
Supersteil
After my 4 months of internship I officially got added to the Supersteil team as a part-time Interactive Designer. Here I got to work on awesome projects of big names like Pathé Thuis, 24i and Coolblue.

Interactive Designer Intern

2013 - 2014

Supersteil

I had my very first internship at the digital agency Supersteil. As an Interactive Designer intern I learned a lot about Interaction Design and Visual Design, with focus being on optimization for digital screens and pixel perfection.

Peercoach

2012 - 2013

University of Applied Sciences Rotterdam

As a peercoach I coach a class of freshman Communication & Multimedia Design students, and help them wherever I can. Mostly teaching them some Adobe software, and helping them with their subjects and portfolios.

Student Assistent

2012 - 2013

University of Applied Sciences Rotterdam

As a student assistent I help the university with external projects the school may have. Mostly creating visuals like posters, brochures, maps, logos and websites. I have also given several presentations at different universities and schools about my education.
